About Cape Town, South Africa

Perched between the ocean and the mountain, with a national park as its heart, there is nowhere like Cape Town. Cape Town, the “Mother City”, is the oldest city in South Africa and has a cultural heritage spanning more than 300 years. It is in Cape Town that the Rainbow Nation really covers the spectrum. Between beautiful Cape Dutch homesteads, traditional dancers with painted faces performing in the streets, the smell of spicy Malay cooking and the taste of a well-made wine, this city will fill your senses. From lavish and luxurious to back-packing on a budget, Cape Town has something for everyone. From the landmark beaches of Clifton and Camps Bay to the vibrant V&A Waterfront and Cape Town city center and the award winning wine farms of Stellenbosch and Franschhoek - time spent in Cape Town will not disappoint.
